### State Chairman Vocations/PFH/RSVP Dies Suddenly

**Edmund S. Pietras**  
**1943-2007**

Knights from across the state gathered in Bremerton on Friday, August 17<sup>th</sup> to say goodbye to one of our own, Sir Knight Ed Pietras. Holy Trinity church was nearly filled to capacity as 38 members of the Color Corps provided an escort for the celebrant and Ed's family.

Brother Ed had accepted the position of State Chairman for Vocations, Pennies for Heaven and RSVP only a month and a half earlier. He was looking forward to the task of promoting vocations to the religious life, and the fundraising that necessarily accompanies it.

Following the funeral mass and reception, the Color Corps accompanied friends and family to the cemetery where a rite of Christian burial at the gravesite was performed.

Members of the Boy Scouts of America performed "Taps", and a military honor guard presented his widow Jan with an American flag in the name of the President of the United States, thanking Brother Ed for his service to our country during four years in the Navy.

## Message from State Deputy John Walker “Thoughts on the Supreme Convention”

.Worthy Brother Knights:

Attending a Supreme Convention is a great experience. . It was my honor to represent you at the 125<sup>th</sup> Supreme Convention in Nashville, TN. Other delegates attending were Karl Hadley, Richard Foudray, Bob Kirby, Fred Moritz, Jack Newman, Jr., Eddie Perez, Thomas Sokol, Joe St. Hilaire, and Terry Welsh. Also in attendance from Washington State were Carmelo Ricciardelli and PSD’s Fred Abraham, Hal Westby and John Klein. We were also particularly grateful to have with us **Bishops Carlos Sevilla and William Skylstad.**

The procession into the hall for the opening Mass was led by the 4<sup>th</sup> Degree Honor Guard followed by around 70 priests, 99 Bishops, and 6 Cardinals. It was really an impressive entrance.

The opening Mass was celebrated by **Cardinal Tarcisio Bertone, Vatican Secretary of State.** He delivered the homily and conveyed greetings to all from **His Holiness Pope Benedict XVI.** He spoke on the life of the Father McGivney and “the talents and graces which he received.” He also thanked “the Lord for the good works that are carried out in the Catholic Community through the generosity of the Knights of Columbus. (His homily was in Italian and we all used headphones for the interpretation into English).

**Supreme Knight Carl Anderson** opened the Convention on Tuesday with his annual report. **Cardinal Bertone** delivered the major address. He outlined the primary characteristics of the lay vocation within the Church and in society at large, and the particular challenges facing the laity today.

The **States Dinner**, which was held the first night brought everyone together for an excellent dinner and the opportunity to wave our Washington flags as we sang our State song. At the head tables, **Cardinal George of Chicago, Bishop Sevilla, Bishop Skylstad, Carl Anderson and his wife Dorian, and Supreme Directory Fred Abraham and his wife Chris** all joined in waving the Washington State flag in recognition of our State.

Following our business meetings on Wednesday, the Washington State delegation went to Caney Fish Farm for a great dinner. (Catfish was the main choice). Everyone enjoyed the informal night as shown in some of the pictures in the back of this bulletin.

Other highlights of the meeting were the passing of the resolutions. The major ones are printed [elsewhere](#) in this bulletin. Two new men were elected to the Order’s Board of Directors. I had the honor of making a motion from the podium to limit the nomination speeches to 5 minutes. Elected to 3 year terms were Logan Ludwig, PSD of Illinois, and Michael J. O’Connor, current SD of Pennsylvania. They replace retiring direc-

tors Charles H. Foos, former Supreme Secretary, and Ronald Tessier of North Dakota.

The Supreme Knight’s Circle of Honor Award recognizing state deputy performance based on achievement of at least 100 per cent or more of net membership gain quota for the fraternal year was awarded to our own **IPSD Karl A. Hadley.** He was **one** of only **28** so recognized in all jurisdictions. In addition he was **one** of only **nine** who achieved the award for the **second year in a row.** Karl was also honored with a plaque upon completing his second year as State Deputy. (See the picture of **Karl** and **Klye** elsewhere in the bulletin). We should be proud of the accomplishments of our jurisdiction. Let’s continue the tradition of receiving the Circle of Honor Award.

Supreme Knight Carl Anderson also announced the Marian Hour of Prayer for this year. (See the article on the special icon of “**Our Lady of Charity**” elsewhere in the bulletin).

**Say “Yes” to Christ** was a major theme of an address given by **Cardinal Bertone and Carl Anderson at the Convention.** **Cardinal Bertone said “Indeed, how beautiful it is to believe, for to believe is to say “Yes” to Christ, and to say “Yes” to Christ is to bear witness to our faith in action. My dear Knights of Columbus, may you always remain men firmly committed to this “Yes” – “Yes” to your families, to your Church, and to your Communities – but most importantly, to Christ who is the “Yes” to all our hopes and desires.”**

Let me add – **Say “Yes”** to all of the above and also say “**Yes**” to the Knights of Columbus. “**Yes**” to our principles of Charity, Unity, Fraternalism, and Patriotism. As the summer months draw to a close, I wish each of you the best in the months to follow. May God bless each and every one of you and may God bless America. I look forward to a **GREAT** fraternal year.

Next years Supreme Convention will in Quebec City. It should be a great one as our Canadian Brothers always make us feel at home.

## Enthusiasm for Christ is contagious! by Fr. Wilmar O Zabala

I haven't checked – though I probably should – but I have noticed that we seem to have more memorials and feast days in August than in any other month. In the month of August, we remembered and celebrated (and hopefully learned from) the lives of some of the Church's most beloved saints: St. John Vianney, St. Dominic, St. Teresa Benedicta of the Cross, St. Lawrence, St. Claire, St. Jane Francis de Chantal, St. Bernard, St. Rose of Lima, St. Bartholomew, St. Monica, St. Augustine. As I re-acquainted myself with their lives in preparation for my homilies, I have recognized a common theme: Their faith is sparked by people in love with Christ. Take, for instance, St. Claire. She was young and in love with life when she first witnessed the enthusiasm and fervor of St. Francis of Assisi in following Christ. I could imagine her blushing

when she saw St. Francis relinquish all he had – even the clothes from his back – to his father and stand there at the town's plaza completely naked! St. Francis came to preach the Lenten sermons at her church. These had a profound effect on her. She sought out St. Francis and asked him how she could live in the manner of the gospels. St. Francis spoke to her about leaving worldly ways behind and growing in love for God. That did it for her! She ran away from home and went to where St. Francis lived with his community of friars. St. Francis and his brothers met her at the chapel and led her to the altar where St. Francis cut her hair.

The lives of the Saints remind us once again that enthusiasm for Christ is contagious! What first brought St. Claire to change her life was her seeing St. Francis' joy, enthusiasm, and fervor in following Christ. It wasn't his intellect. It was his witness! Also,

when St. Claire's family found out about her exchanging her fine clothes for a penitential habit, they vehemently opposed her choice. But seeing her determination and her absolute devotion to Christ, they accepted her decision. In fact, her sister – and eventually her mother – joined her in the convent. If you could get your mother to join you in the convent, you're doing a pretty good job of witnessing to your faith! If people don't see in us the joy and enthusiasm in our following Christ or in our going to church, they aren't going to follow us. This is true in the priesthood. This is true in married life. Enthusiasm for Christ is contagious. And there's your secret on how to get your children to come to church! By the way, that's the one virtue I am praying I would never lose in my priesthood.

Secondly, the lives of these saints teach us that if we truly are to love the Lord our God with all our heart and with all our soul and with all our strength we have to practice detachment from material possessions. Now, few of us are called to give away everything we possess. In many cases, that might actually be an ungodly thing to do because we have responsibilities for others – spouses, children, aging parents – that God entrusts to us. The lives of the saints invite us to live a simple life where God matters more than any material possession.

Let's show enthusiasm and fervor in living out our Catholic faith because that's what ultimately helps ignite faith in others. Let's try to detach ourselves from material possession as much as possible and try to live simply so that we would have plenty of room for God in our lives.

I have removed all email address links from the bulletin to prevent people from scanning our documents for email addresses and sending SPAM. If you need an email address or any officer, chairman or other statevolunteers, please go to the web site <http://www.kofc.org> and get the email address for there. Sorry for the need to do this but some people out there are just unethical.

## Messages from State Advocate and Membership Chairman

My Brothers All

First, let me tell you that we are off and running toward our Objective of 17,000 Brother Knights in the Washington Jurisdiction in this 125<sup>th</sup> Anniversary Year. I hear of your 1<sup>st</sup> Degree exemplifications in our Councils across the State; I see the finish line well within our grasp; and, I feel the spirit of Fr. Michael J. McGivney cheering us along our path. Remember too Supreme Knight Carl A. Anderson's reminder to us that we must commit to asking every eligible Catholic man and his family to join us and share in the rewards of Columbianism. Recruitment is everybody's business within your Council, especially yours and your officers. Right here, right now, I pledge myself to that effort. Will you all join me? I know that your answer is a resolute and resounding...YES!

Second, I thank you for your due diligence in taking the reins of your Council. As you begin preparations for the October *Blitz* during this month of September, I ask that you meet early with your Officers and Chaplain in measuring the tasks for a successful membership campaign. The "*Experience of a Lifetime*" Planning Calendar is a great tool for planning the critical path tasks for your campaign, delegating individual recruiter and committee assignments and following up often to insure your ultimate success. Approving your Council's action plan, motivating your Councils' recruiters and scheduling frequent 1<sup>st</sup> Degrees are your keys to a successful membership drive.

Third, I ask that you utilize all your resources by taking note of necessary supplies you will need and getting them ordered from the Supreme Supply Department using the Blitz Material Order Form provided here in the Bulletin. You will find Pulpit announcements in the Membership Handbook (blue) that was given to you at the Summer Leadership meeting or delivered to you by your District Deputy if you were unable to attend the meeting. Let us not forget to use our District Deputy and State Council personnel as resources; they will all serve as invaluable tools toward attaining your Councils' goals.

We can and will make our Objective of 17,000 Brother Knights in the Washington Jurisdiction in this 125<sup>th</sup> Anniversary Year. We are committed to building up our labor force to continue the great work of Fr. Michael J. McGivney for we remember his vision, his message and his spirit. We will sprint to the finish line together.

*George Czerwonka,*

State Advocate and Membership Director

# Membership Survey Form

# Membership Goal Thermometer

To All Grand Knights:

RE: MEMBER INTEREST SURVEY (Form 1842)

Are your council's programs of interest to your members? Do you have only a few participants regularly showing up at your general meetings? Do you know what interests your members? You are charged with making a concerted effort to not only recruit new members, but to also retain those members that you have already.

The Member Interest Survey (Form #1842) noted below should be duplicated or ordered from the Supreme Council Supply Department located at 78 Meadow St, New Haven, CT 06510. You should consider distributing this survey to both new and existing members of the council to find out what activities and programs are of interest to them. The results of this survey will assist you in programming your officer team in planning and scheduling activities that might interest more members.

By using the survey results to identify those members that expressed interest in certain programs, you can then ask them to assist when those programs are scheduled. The results of this survey will give you a clear indication if the Council is not targeting the interests of enough members and that your service programs might need to be reviewed and changed to fit the needs of more members.

Once again, in order for your council members to get actively involved in the Shining Armor Award Program, their service activities have to be of interest for them to want to participate in them in order to attain the Shining Armor Award.

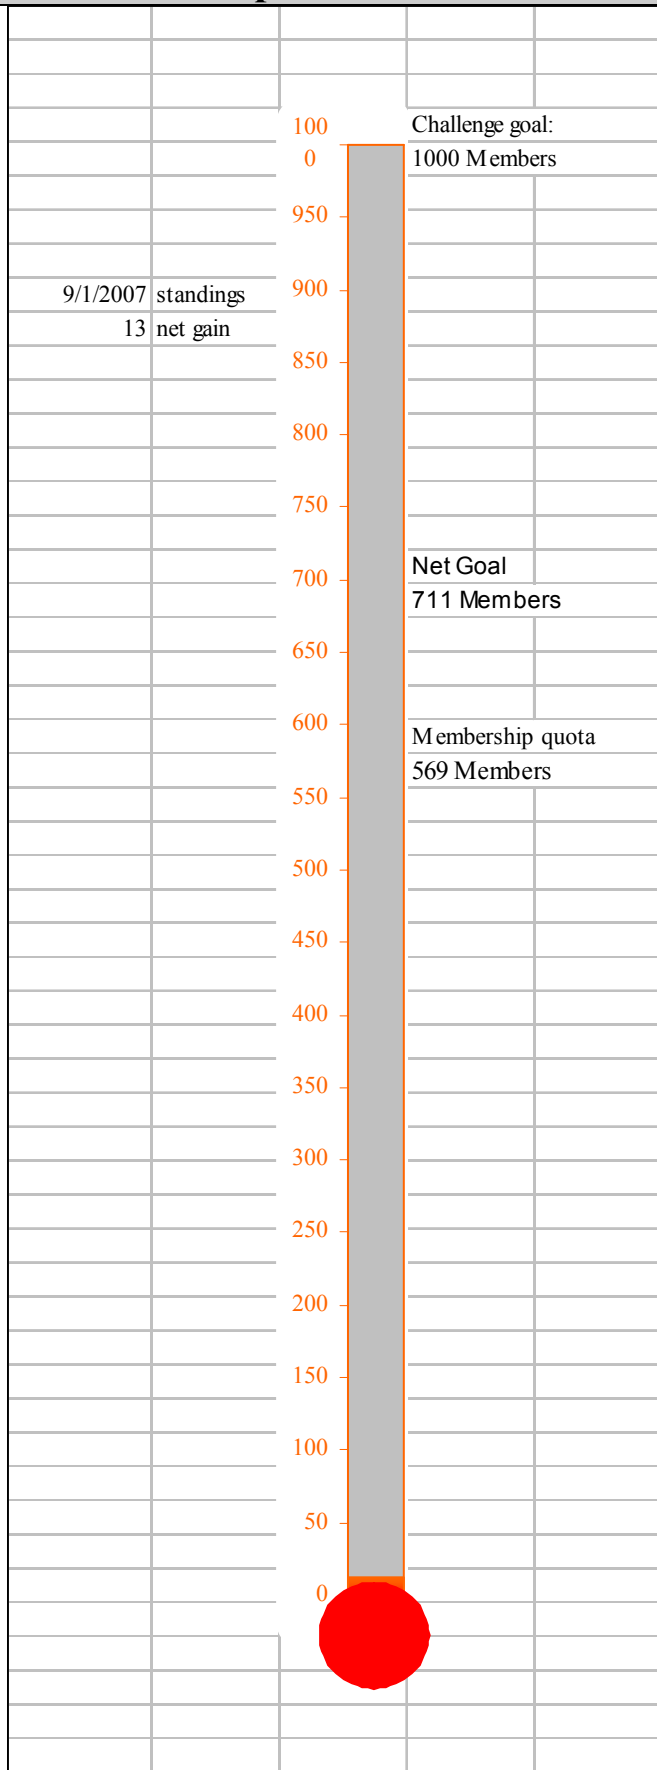

Order a supply of these surveys today!

Vivat Jesus,

George Czerwonka  
State Advocate and  
Membership Director

### SUPPORTING OUR PRIESTS AND BISHOPS FOR 125 YEARS

Did you take up the challenge of recruiting your Family members during the month of August? Did you have a Council Picnic or other summer activity to invite prospective members and their family members to join the Order? August 11-19 was our Supreme Family Week Celebration. It is not too late to bring your family members into the Order as you prepare for the October *Blitz*. There is no better way to prepare for your *Blitz* than to hold a 1<sup>st</sup> Degree in September for family members with a Father or Grandfather as the Honoree. Ask them: ask them again; and, ask them once again. How can they not accept your invitation?

### Blitz 2007 DD Message

To Worthy District Deputies:

Re: Blitz 2007

Our Order wide Blitz scheduled for October is not far away. By now, you should have your District planning started and you should be helping your councils order materials. You should also be prepared to receive results from their recruitment drives a few days after their actual Blitz takes place.

Please note that every District Deputy should compile a report of their assigned councils recruiting efforts during the chosen weekend of the Blitz recruitment drive. These reports will then be sent to the State Membership Director and Worthy State Deputy.

We will compile the jurisdiction's Blitz results and report to the Supreme Council Membership Director. They will need these figures to report to the Supreme Knight on how the Order did during this initiative. I know that our State Deputy is counting on each of you to carry the Blitz message for the Washington Jurisdiction..."Supporting Our Priests and Bishops for 125 Years!"

Please know that your State Membership Team stands ready to assist your efforts in every way possible. Should councils require assistance with any part of the BLITZ process, please assist them and also direct them to our Orders website under the FOR OFFICERS section where the Blitz is explained in detail.

Fraternally,

George Czerwonka  
State Advocate and  
Membership Director

### TOP RECRUITER WILL GO TO QUEBEC!

For recruiting the most new members Orderwide between July 1, 2007, and June 30, 2008, the **Orderwide Top Recruiter** will receive a trip to the 126<sup>th</sup> Supreme Convention in Quebec City, Quebec.

### GET READY FOR THE BLITZ!

On the weekend of October 6-7, every council is being urged to join the **Orderwide recruitment Blitz**. Councils should hold a Church membership drive during which they collect as many names and phone numbers of prospective members as possible. Councils are then asked to follow up their Blitz with an information night. Blitz planning should start right now! Each council should use all of its public relations tools to promote its service programs and charitable work by running ads in both local and diocesan newspapers.

### GRAND KNIGHTS GOING TO NEW HAVEN

As a bonus to having been a leader of a council that earns the Star Council Award, qualifying Grand Knights will be entered into a **drawing for one of three trips for two to New Haven, Conn.**, in October of 2008. To qualify, Star Council status must be attained during the period of July 1, 2007 to June 30, 2008.

### **Grand Knights 125th Anniversary Year First Quarter Incentive Drawing**

For council's that recruit five (5) new members gross between July 1 and September 30, 2007, the grand knight of record will be entered into a drawing for one of 10 \$125 Gift Certificates. If the grand knight qualifies in each of the quarterly contests during the 125th anniversary celebration he will be eligible for a grand prize drawing to be announced in April of 2008. Each quarterly contest will be announced in the last week of the current quarter.

### Marian Hour of Prayer

The new Knights of Columbus Marian Hour of Prayer program, dedicated to Our Lady of Charity was inaugurated during the Supreme Convention. State Deputies held framed images as they were blessed by Cardinal Jaime Ortega y Alamino of Havana. Our Lady of Charity is the patroness of Cuba. The Cardinal prayed that "as these images of Our Lady of Charity go forth, that the Knights of Columbus and their families... be filled with faith and love." Over the course of the next year, the framed images will be brought from council to council within each jurisdiction throughout the Order for a one-hour prayer service and rosary recitation. A prayer booklet, accompanying each image includes hymns, a litany and a prayer that Pope John Paul II used when he visited Cuba in 1998.

We will receive the icon later this year and set a schedule for movement from council to council.

## Message from Immediate Past State Deputy

The August 9, 2007, Program Supplement to the *Knightline* provided the list of award winners for 2006-2007.

In Washington State, **94** of 142 councils (66%) earned at least one of the three awards (Fr McGivney for Membership, Founders for Insurance, or Columbian for program activities).

We had 34 councils achieve Star Awards with 10 councils attaining double star award.

43 other councils achieved one of the three awards (six Fr McGivney, one Founders, and 36 Columbian).

Of interest is that six councils achieved the Fr McGivney award and one achieved the Founders award, but did not achieve a dual award because they did not submit their Columbian Award Application. Two councils with dual awards were short one new member or insurance member of achieving Star Council status. Two councils were short of the Star Award because they did not submit the Columbian Award Application.

Congratulations to all of the award winning councils for another successful year!

## Fr McGivney Message

At the Supreme Convention in Nashville, we had the honor of hearing from the Vatican's Secretary of State, Cardinal Tarcisio Bertone. He delivered the major address of the 125th Supreme Convention on August 7, 2007, in which he outlined the primary characteristics of the lay vocation within the Church and in society at large, and the particular challenges facing the laity today.

Cardinal Bertone noted that Father McGivney's cause for canonization is currently being investigated by the Congregation for the Causes of Saints. The Church, he said, is studying Father McGivney 'as a model Christian, worthy of imitation.' More than 2,700 Knights and family members greeted with applause the statement that he was personally interested in the cause for sainthood of our founder, the Servant of God Father Michael J. McGivney.

Here is what Cardinal Bertone had to say about our Fr. McGivney: "Your founder Father Michael McGivney was prophetic 'indeed, well ahead of his time' in that he clearly understood that this complete and total 'Yes' to Christ was in no way exclusive to those who received holy orders or had taken religious vows. On the contrary, it is a 'Yes' required of every man and every woman.

"As a young curate at Saint Mary's Church in New Haven, Father McGivney became keenly aware of the laity's need to be actively and fully engaged in the life of the Church by exercising virtue, cultivating prayer, and caring for others. He had a deep appreciation for the special characteristics of the lay vocation as being thoroughly immersed in the spheres of the family, civil society, and public life. He made it his goal to develop practical ways of ensuring that faith could be put into concrete action: especially by providing for the material needs of orphans, widows, the imprisoned, alcoholics, the unemployed, and the destitute.

"However, it is sometimes easy to forget that Father McGivney's conviction was based on an even more fundamental insight: namely, that our concern for the needy and our perseverance in charitable works will eventually become attenuated and deprived of their deeper meaning if

they are not rooted in faith—faith understood as the indwelling of Holy Trinity in our hearts through divine grace as we renew our 'Yes' each day to the person of Jesus Christ."

At a press conference he elaborated further: "The very brief life of Father McGivney is a prophetic adumbration; he anticipated by many years the role of the laity in the Church as presented in Vatican II and in the successive documents of the Church.

"You have to take into account the moment of Father McGivney's life. Historically, it was a moment in which the Church in the United States was suffering, and the witness that Father McGivney gave at that particular moment in history is very important to consider.

"I can only hope that his life will be made known to many more people throughout the world, as it has been made known to people here in the United States.

"It is not only the fact that his life revolved around questions of social concerns and social service to people, but his life should be made known in its fullness, for all that he represented. His life should be made known for his commitment to catechesis and evangelization. It cannot be presented only as a life that was merely for social concerns, but it must be considered from the perspective of a man of the Church."

The full text of his address, homily at the Opening Mass, and press conference remarks can be found at Supreme's website.

Last month, I submitted a list of council grand knights and financial secretaries and assembly faithful navigators and comptrollers to Supreme for membership in the Fr McGivney Guild. I heard back from Supreme that they will no longer accept such lists. So, please sign up on your own - it's free and it shows our support for the cause of raising our founder to the honors of the altar.

## Knights to Christ

Sept. 24, 2007

**Unity is walking with Christ throughout the day.**

*Make my joy complete by being of the same mind, maintaining the same love, united in spirit, intent on one purpose.*

~ Philippians 2:2

A Daily Prayer:

I want to thank you, LORD,  
for being close to me so far this day.

With Your help,  
I haven't been impatient,  
lost my temper,  
been grumpy,  
judgmental,  
or envious of anyone.

But I will be getting out of bed in a minute,  
and I think I will really need your help then.

Amen.

## District Deputy Director Message

### Notes to District Deputies from the District Deputy Director

Thanks to all of you DD's that sent me e-mails – not only keeping me informed of what is going on in each of your districts – but also taking the time to make a guess at the mystery word from last month's newsletter article. I also had several non-DD's – that is council officers - respond to the challenge with a guess as well. A couple of them were correct! These guys might make great district wardens if you don't have one yet. Keep an eye out there for these sharp brother knights.

Somewhere in this article is another "Word of the Month". For those of you that may not have thought much about this yet, the "Word of the Month" is a word somewhere in this article that describes a concept or two that we discussed during our training session in July. As you may remember, these are concepts that district deputies might consider applying in their day-to-day operations and if so, help them become good, and even great district deputies. Keep looking – keep those guesses coming. I'd love to say that the winner receives an all expense paid trip to ... somewhere! I can't just yet – but stay tuned. I am working with the state deputy to see if he might find a little something in his prize budget.

You should know that your councils Semi-Annual Audit Report was due August 15. If you have a copy – great! If not, then your council more than likely has not reported as needed. If you do not have a copy, consider following up with your councils to get a copy. As you know, this is an important element in keeping the FS bond and the council running as it should. Please take the time to review this with your councils at your next district meeting. Make "Report Status" one of your agenda items at your meeting.

I was at my desk earlier this week and I found a few things that I've kept cluttering my inbox. Excuse me if you've seen these before – but a few of these might help put a grin on your face .... "A man who has never made a woman angry is a failure in life." ... "Golf is just an expensive way of playing marbles.".... "He who is in love with himself has at least this advantage – he won't encounter many rivals." ... "People are wrong when they say that the opera isn't what it used to be. It is what it used to be and that is what's wrong with it!" ... "If a man is in a forest and shouts something profound but there is no woman around to hear it - is he correct?"

How are your councils preparing for the State-wide Membership Drive this fall? This is a perfect opportunity to rally around the 125th Anniversary recognition slogan – 125 Years of Supporting our Bishops and Priests. You should be working with your councils in planning this effort. You can be the mentor that they might need. Apply your energies at supporting those councils that might be a little tentative with their efforts. A little help from you might just what they need to have a successful membership drive.

If you find yourself always chasing down your councils reports

## General Program Director

Dear Brother Knights,

With the coming of September please remember to start off the reporting year right by remembering to submit your first monthly service program report. I have received a number of them already -- hope you remembered to include July and August on the first report. Some of you mailed it in early August so I don't know how you could have included August activities with so early a filing! Check it out and submit by September the 10th. The report can be found on the state web site or in your the Grand Knights Handbook CD. Either way, get it to me by the 10th for extra points!

Have all you Grand Knights gotten your 185 and 365 in? If not please do so ASAP - remember those forms are the first step to attaining Star Council status this year. That is one of your goals, isn't it? Double check - make sure they get filed timely. Also the semi-annual audit was due August 15 - have you gotten that important document in? If you haven't please hold a session and with your audit team soon and file the report.

Please remember to use your state program chairmen, they are there for your assistance and help.

If you have any questions for me please call or email.

Here's to a great fraternal year!

Fraternally yours,

*Ed Parazoo*, State Warden

General Program Director

**Why me, Lord?  
Why not?**

– and yes, some district deputies seem to find themselves involved in this activity on a monthly basis – you might consider getting ahead of the so called "power curve" and preparing for the next report that's due. That is the fraternal survey report due in January. Bring this up at your next district meeting – help your councils prepare for this. Remember advance planning is much better than planning to follow up after the fact.

As always, feel free to contact me with any questions or concerns you may have. I'm here to help.

All good Knights are already “fishers of men”. Here’s your opportunity to find out if you’re also fishers of salmon! Richland Council No. 3307 is proud to host the 12<sup>th</sup> annual KC/Tri-Cities Prep Salmon Derby. For only \$25 (adults) or \$10 (children 12 and under) you can support a worthy cause—Tri-Cities Prep, the Catholic high school in Pasco, WA—while enjoying the opportunity to catch some of the world’s most magnificent fish, the mighty Chinook salmon, in either the Columbia or Yakima rivers.

As usual, the big weekend – October 6-7—includes some great prizes including \$1000 cash for the biggest fish, plus cash and merchandise prizes for the 2<sup>nd</sup> through 5<sup>th</sup> largest fish, a randomly selected “mystery fish”, and the highest total “tournament weight” for the two days. Special prizes are also available for the kids. But the big news is that again this year, you can enter early and win some great weekly prizes too! Starting September 15<sup>th</sup>, prizes for the biggest fish caught by adults and children will be given for each of the three weeks leading up to the main event... all for the same low entry price that qualifies you for the derby weekend.

Dear Brothers,

This month finds us already preparing for fall, with the rain and the cool mornings reminding us the summer is almost over.

**Poster and Essay Contest:** During the month of September each Grand Knight and Pro-Life chair couple will be receiving a Respect Life Poster and Essay Kit. This kit will include all the information a couple will need to prepare their CCD program or parish school to conduct the poster and essay contest. As you have heard from us many times, the poster and essay contest is a powerful way to sustain and propagate the culture of life in our youth and our communities.

This summer I had the opportunity to phone a parent whose daughter was the winner of our council’s poster and essay contest. It turns out the father was not a Knight of Columbus. He is now at the top of my list for joining our council, before our upcoming blitz. This is just one way Pro-Life and other great service programs in the Knights of Columbus build membership.

**Important Dates:** At the summer leadership meeting on July 14<sup>th</sup>, we had the chance to discuss the calendar of pro life events in the coming fraternal year. Mark these dates for a productive and satisfying year ahead.

- **October 07, 2007 Respect Life Sunday** and Feast Day of Our Lady of the Rosary. This day is recognized by the United States Catholic Conference of Bishops as Respect Life Sunday. Suggest a Breakfast Buffet for Pro-Life causes to your Parish Council or Pastor.

Charity is a basic principle of our order. Encourage your councils to be charitable during the month of October, and especially October 7<sup>th</sup>. Charity to Pro-Life causes such as Birthright or those suggested by your Pastor will be best. Be sure to record your donations on your monthly service report in the pro life program.

- **January 22, 2008 March for Life, The Capital, Olympia (Noon).**

All councils requiring “Defend Life Signs should contact me so the signs can be shipped to you. Cost of the signs is \$1.25 each, plus shipping. Make checks to Knights of Columbus.

- **March 25, 2008 Knights of Columbus day of the unborn child**

Did you know that March 25<sup>th</sup> is precisely nine months before the birthday of Our Lord and Savior?

If you have questions on your pro life program you may call me, or regional contacts. In Bellevue contact Brother Knight Carmelo Ricciardelli at 435-746-6550 or Brother Knight Jay Quinn at the 425-454-1740. In Issaquah a contact Brother Knight Eugene Daly at 425-891-5497. In the Spokane area contact Brother Knight Ed Ziegman at 509-276-2572. In the Olympia area contact Brother Knight Ed Sauley at 360-480-9329. Ed is also the West Side Chairman. I may be reached at (509) 546-9923 or by e-mail for Pro-Life from State Website.

I cannot close with recognizing the loss one of our own, Ed Pietras. Ed has been dear friend and I will miss him.

Vivat Jesus!

## ADVANCE NOTICE OF IRS FILING REQUIREMENT FOR ALL COUNCILS AND ASSEMBLIES New Annual Electronic Filing Requirement for Small Tax-Exempt Organizations, e-Postcard Form (990-N)

Beginning in 2008, small tax-exempt organizations that previously were not required to file returns may be required to file an annual electronic notice, Form 990-N, *Electronic Notice (e-Postcard) for Tax Exempt Organizations not Required To File Form 990 or 990-EZ*. This filing requirement applies to tax periods beginning after December 31, 2006. Organizations that do not file the notice will lose their tax-exempt status.

Small tax-exempt organizations, whose gross receipts are normally \$25,000 or less, are not required to file Form 990, *Return of Organization Exempt From Income Tax*, or Form 990-EZ, *Short Form Return of Organization Exempt from Income Tax*. With the enactment of the Pension Protection Act of 2006 (PPA), these small tax-exempt organizations will now be required to file electronically Form 990-N, also known as the e-Postcard, with the IRS annually. Exceptions to this requirement include organizations that are included in a group return, private foundations required to file Form 990-PF, and section 509(a)(3) supporting organizations required to file Form 990 or Form 990-EZ. In addition, this filing requirement does not apply to churches, their integrated auxiliaries, and conventions or associations of churches.

The IRS will mail educational letters starting in July 2007 notifying small tax-exempt organizations that they may be required to file the e-Postcard. The IRS is developing an electronic filing system (there will be no paper form) for the e-Postcard and will publicize filing procedures when the system is completed and ready for use.

The PPA requires the IRS to revoke the tax exempt status of any organization that fails to meet its annual filing requirement for three consecutive years. Therefore, organizations that do not file the e-Postcard (Form 990-N) or an information return Form 990 or 990-EZ for three consecutive years, will have their tax-exempt status revoked as of the filing due date of the third year.

The council/assembly must have an EIN number on file. When you apply for one, you must have the Knights of Columbus group number (0188). After you receive your EIN, you must notify Supreme Advocate of your EIN as he will also need it for reporting non-profit status.

If you would like additional information about this new filing requirement, including notification when the filing system is ready, or information about other new developments, subscribe to Exempt Organizations EO Update, a regular e-mail newsletter that highlights new information posted on the Charities pages of [www.irs.gov](http://www.irs.gov), and you can telephone FDD John Williams, a tax advisor with a national firm, by calling him at 425-355-4189 or emailing him with your questions to John Williams, Assistant Webmaster.

## SUPREME CONVENTION RESOLUTIONS

The following are some of the resolutions passed at the Supreme Convention. They show the resolved portion of the resolutions.

### Knights of Columbus Reaffirms Opposition to Abortion, Embryonic Stem Cell Research

Delegates to the 125<sup>th</sup> annual convention of the Knights of Columbus in Nashville, TN unanimously adopted a resolution on **“Building a Culture of Life”** reaffirming its “deep commitment to oppose any governmental action or policy that promotes abortion, embryonic stem cell research, human cloning, euthanasia, assisted suicide and other offenses against life.”

The resolution also called for “the adoption of laws that recognize and protect in law the right of conscience for doctors, nurses, pharmacists and other medical personnel, guaranteeing that they may not be forced to provide medical services which violate their religious beliefs.” The resolution also called for “similar protection for Catholic hospitals.”

The Knights of Columbus also reaffirmed its **“long-standing policy of not inviting to any Knights of Columbus event, persons, especially public officials or candidates for public office, who do not support the legal protection of unborn children, or who advocate for the legalization of assisted suicide or euthanasia; and of prohibiting such persons from renting or otherwise using facilities over which we have control, or speaking at Knights of Columbus events, or bestowing on them honors or privileges of our Order of any king, or inviting them to serve as honorary chairpersons of events, celebrations, or committees, or hold any office in the Knights of Columbus.”**

### Resolution on Support of Natural Marriage

“That we will never waiver in our efforts to defend the natural institution of marriage as the **exclusive union of one man and one woman**; That we oppose all attempts to give the legal status of marriage to arrangements between persons of the same sex; and That we join with the bishops of the United States, Canada and throughout the world in their efforts to achieve legal and constitutional protection at the national, state, territorial or local levels for **the definition of marriage as the union on one man and one women to the exclusion of all others.**”

### Resolution on Decency in the Media and on the Internet

“**That the Knights of Columbus condemns pornography, objectionable sexual content and excessive violence in the media** and calls upon the entertainment industry, the video game industry and Internet providers to maintain high standards of decency that will protect children and promote healthy family life; and that we commend and thank those in the entertainment and retail industries who produce family-friendly media products and pledge to patronize them in our choices as consumers; and that we commend and thank those law enforcement officials who enforce laws against child pornography and trafficking in persons; and that our members and councils support groups that fight pornography, indecency and excessive violence and that **we pledge ourselves to use television, film, and the Internet to promote positive values.**”

### Resolution on Pledge of Allegiance

“**That we proudly support the continued use of “under God” in the Pledge of Allegiance**, and that we recognize that these words affirm a fundamental principle of American government: that our basic human rights come from God, and that it is the duty of all three branches of the U.S. government to protect those rights.”

### Resolution Honoring Our Armed Forces

“That the **Knights of Columbus reaffirms its unequivocal support and encouragement** for the men and women of the Armed Forces who defend our liberties and freedoms; and that we prayerfully support and provide encouragement to the families of those servicemen and servicewomen who are deployed overseas; and that we continue to pray for the safe return of all military personnel, especially those deployed to Iraq, Afghanistan and other combat zones throughout the world; and that we now pause in our deliberations to **pay tribute to those men and women who have suffered serious combat injuries and to pray for the souls of those who have paid the ultimate sacrifice by giving their lives in the service of their country.**”

## Exemplification Fund Fee

## College Council Chair

The following list is a reminder to councils of exemplification funds due. The \$7.00 fee is based on Supreme's total list of new members as of June 30. It does not distinguish priests, seminarians, transfers, re-admissions, re-activations, or re-initiations. Please inform me of any members in these categories so corrections can be made. My Dear Brothers:

Did you take up my challenge? Do you have a College or University in your town? Remember that our college students will be our leaders of the future and many are actively taking leadership roles in our Councils now. They need you help in leaning about the Knights of Columbus and Fr. Michael J. McGivney's vision.

As we prepare for the October Blitz, let us bring all our sons into our Councils. I know they will be away at college; however, if you get their Form 100 to me, I will arrange to get them to their 1<sup>st</sup> Degree and membership in our Order. They can then become the catalyst in the formation of a Roundtable and ultimately a College Council.

Although our Gonzaga and EWU Brother Knights are not yet back at school for their fall term, they will soon arrive and hit the ground running to recruit new Brothers. Your enthusiasm, experience and kind assistance will go a long way in bolstering their ranks. I thank you in advance for supporting them through frequent 1<sup>st</sup> Degrees.

And, remember to use our State personnel as a resource, particularly the other Membership Team Chairmen as they are ready, willing and able to help you with your College Roundtable and Council efforts.

Retention Chairman: Monte Cromwell  
NCD/RT Chairman (West): Del Treichel  
NCD/RT Chairman (East): Dave Olson

### Family Message

Brother Knights,

I hope you all had a fun summer and you are ready to roll up your sleeves and get to it!

From my point of view, one of the best signs of a good leader is one who can recognize those that are working hard to make him a success. Be a good leader for your Council this year and recognize the day-in and day-out accomplishments of your Council's families by submitting a Family of The Month winner every month.

The Supreme Council has made it very easy to participate. Appoint a Family Chairman in your council and have him either fill out the appropriate form in the Family of The Month Booklet you received, or have him submit the winning family electronically at the Supreme web-site. All you have to do to submit electronically is to go to "<http://www.kofc.org>", then you go to the "Officers" section, select "Forms", select "Council Forms", select "Family of the Month Form 1993-A" and fill it in. Submissions, whether written or electronic are due by the 15th day of the next month. Don't forget to give a copy to the State Deputy, the District Deputy, and keep a copy for your council records.

If your submission reaches Supreme on time your family will be in the monthly drawing to receive a Holy Family Statuette. It is a very nice way to thank a family for working hard.

Last month I reported only two families from Washington State won a Holy Family Statuette. That's because the Supreme Council only gave me the names of two families in the report they sent to me. However, Franklin & Pauline Hyke from Lakewood Council 11762 also won in May, and I believe the Families of the Month from Councils 12786 and 13560 also were selected-please let me know if that is true and give me your name. My e-mail address is Family@kofc-wa.org

The "Best Family of the Month" submission for the State (July 2007) came from Coupeville Council 13422, Roger Foley Grand Knight. The write-up honors the Gary and Rosemary Smart family. The write-up reads:

"For Gary and Rosemary's devotion to the church as sacristans and coordinator/trainer of alter servers."

I always wondered who trained the alter servers...I should have known...we do!

God Bless You & Your Families,

God Bless,

State Family Chairman

### Message from Vocations, RSVP, PFH

August 14<sup>th</sup> was a day of extreme sorrow for me. That afternoon, I was notified of the death of Sir Knight Ed Pietras at his home in Bremerton. Ed was closer to me than my own brother. We had run around together for more than 35 years – Ed had not only served the wedding mass for Sylvia and myself, but he and Jan were Godparents to my youngest son. During those 35 plus years, we enjoyed a most firm and deep friendship that is separated – not finished – by his untimely death.

Ed was looking forward to putting his own mark as my successor on the very successful vocations program of Washington State Council, and I was involved in ensuring that he would have an outstanding level of support from me. By arrangement with State Deputy John Walker, I am once again to be the Chairman for Vocations, Pennies for Heaven and RSVP.

For Ed, the Knights of Columbus was one of the most important parts of his life, next to church and family. He served as Grand Knight, Faithful Navigator and as District Deputy.

Always energetic, he worked tirelessly not only on Knights of Columbus events, but on community projects as well.

Like my late Father-in-Law, who passed to his eternal reward on Christmas Day, Ed is a hero to me, not necessarily according to how the world views heroes, but a hero for having, in the words of Saint Paul in his second letter to Timothy: "fought the good fight, finished the race, and kept the faith." Saint Paul goes on to write: "Henceforth there is laid up for me the crown of righteousness, which the Lord, the righteous judge, will award to me on that day, and not only to me but also to all who wait with love for his appearance."

I can hear Jesus saying to Ed: "Well done, thou good and faithful servant!"

## First Degree Team Ceremonial Competition

We are entering our second month of the first level of the First Degree Team Ceremonial Competition. This level is the district level and is conducted in August, September, and October.

*How many councils have informed their district deputy that they want to participate in the competition?*

*How many district deputies have encouraged their councils to participate in the competition?*

**All councils in Washington are eligible and encouraged to participate** in the First Degree Team Ceremonial Competition. If your council does not have a certified first degree team, your district deputy may certify it during the first level of competition. If your council has a certified First Degree team, however, there are still one or two members who need to be certified, your district deputy may certify them in conjunction with the first level competition. The council will normally schedule this evaluation during an actual exemplification.

The first level is conducted during an actual exemplification in the council's regular meeting facility. An honoree should be selected for each degree. The honoree and all council knights are encouraged to attend the exemplification.

All grand knights are encouraged to contact their district deputy and schedule an evaluation of the council's first degree team. Remember, that under no circumstances will a 1st Level - District evaluation - be conducted after October 31. The second level competition will be conducted in November and December. Additional information on the second and third level competition will be published in subsequent state bulletins.

The Grand Knight's Handbook CD was issued to all grand knights at the Summer Leadership Meeting last month in Pasco. Also, on the CD were two handbooks. The first is the First Degree Team Ceremonial Competition, revised 07/01/06. This handbook provides information on the participation, prerequisites, schedule, evaluation, reports, notification and recognition. Appendix A is an overview of the three levels, District, Regional, and State. Appendix B is the Evaluation Form that will be used to evaluate the degree teams. The second is the Host and Co-Host District Deputy's Second and Third Degree Ceremonial Procedures, revised 07/01/07.

'The Best of the Best' First Degree Team Ceremonial Competition travel award will look great hanging in your council's hall.

**Where it is located next year depends on you!**

## Military Affairs—Archdiocese of Military Services USA (AMS)

Worthy Brother Knights:

What is it like to be one of the first, or to step where no man has stepped before, the feeling I experienced as District Deputy 22 when I worked on formation of a new council at Ft. Lewis/McChord in 1990. This was the experience of being the first to develop a new council in the Northwest on a military installation. It was breaking new ground, exploring new avenues and it was in fact scary. Luckily, having access to the base being retired military and further working as a civil servant on Ft. Lewis had its perks. The workings however, became scary as I dealt with the Judge Advocate, the Base Chaplain and other agencies on Fort Lewis. It was an experience that many would not relish but fortunately I had a Catholic Chaplain that believed in the need for a Knights of Columbus Council and it got done. Col. Charles Gallina PSD and Military Affairs Chair for the Knights of Columbus has outlined a very descriptive program for the help in developing new councils and roundtables. New Council Development should be started at Everett NAS and Fairchild AFB in Spokane area. There are Knights available to assist at these installations and contacts should be made.

### STRATEGY: MILITARY NEW COUNCIL DEVELOPMENT AND EXPANSION OF KNIGHTS OF COLUMBUS PRESENCE AT CONUS/STATESIDE MILITARY INSTALLATIONS

**Purpose:** To outline a coherent strategy and approach to expanding KofC presence on CONUS/Stateside military installations.

#### General

Development of new military councils, establishment of military-based roundtables, and recruitment of military personnel will follow established KofC guidelines adapted, as appropriate, to unique circumstances aboard military installations

The Assistant for Military Affairs will interface and coordinate with the Archdiocese of the Military Services (AMS), and with assigned military Catholic Chaplains, “contract priests”, or priests supporting an on-base military Catholic community to identify those installations where the Catholic community could potentially support a council, and to ensure support for establishing a KofC presence aboard a particular installation

Development of a new council aboard a targeted military installation is dependent for long-term growth and activity on a *sustainable* Catholic community that includes an interested and engaged active duty component and a sizeable Catholic retired military and DOD-civilian employee community that regularly worships at on-base Catholic services

The Assistant for Military Affairs, under the direction of the Vice President for Fraternal Service, will coordinate all new military council development, expansion of the Order’s presence, and reactivation of existing military councils in a suspended or inactive status, with the Director, Council Growth and Development

#### CONUS/Stateside NCD and Expansion

All stateside NCD and expansion activities will be in coordination with the appropriate State Council NCD team supported by the Assistant for Military Affairs

All stateside military councils and/or roundtables are under the jurisdiction of the appropriate State Deputy and an assigned District Deputy and will function, once established, as any other regular council subject to unique military regulations governing the operation of a “non-profit” private organization aboard a military installation

State Deputies, especially those with several military installations in their jurisdiction, are encouraged to designate a State Council “Director of Military Affairs to interface directly with the Supreme Council Assistant for Military Affairs to develop, refine, and oversee NCD and expansion activities within the jurisdiction

Based on current assessments, the following offer the greatest potential for near-term NCD and expansion activities

--**Washington:** 1-2 new councils with potential for an expansion of the roundtable program to service deployed naval task forces. Assigned State Military Affairs Director has action plan developed for councils at Fairchild AFB and Everett NAS

Roundtable development on fleet ships deploying overseas, military units from Ft. Lewis deploying to Afghanistan and Iraq and other areas, plus local military areas such as Everett, Tacoma, Seattle, Vancouver, Spokane, Walla Walla, Yakima, Port Orchard, Bremerton, Poulsbo, Silverdale, and many other that serve military either active, reserve or guard.

**Ceremonials:** Ceremonials will follow proscribed rules and fall under the State Council jurisdiction as with any other KofC council

--To ensure regularly scheduled **1<sup>st</sup> Degrees**, military councils should form their own team or partner with a local council

--**2<sup>nd</sup> Degrees** will be scheduled and conducted by the assigned District Deputy

--**3<sup>rd</sup> Degrees** are under the auspices of the Sate Deputy and scheduled accordingly

--**Special ceremonies, e.g. installation of council officers**, will be scheduled and conducted by the assigned District Deputy

**Administrative Supplies:** For ordering of routine, administrative supplies in *reasonable amounts*, i.e. all items in the supply catalog, with the exception of PG-coded items, (e.g. stationary items, 1<sup>st</sup> degree candidate kits, prayer cards, etc.), military councils will be handled in the same manner as college councils. The Form 1 Requisition will be filled out and sent to the VP, Fraternal Services for processing with the Supply Department

There are many sources for new roundtable development at many military area facilities, look at a few: Madigan Army Hospital, Four Chaplains Chapel, Evergreen, Soldiers and others at Ft. Lewis. McChord has a main chapel. Other possible areas are Camp Murray, Naval Base at Bremerton, Keyport.

## Veterans Administration Volunteer Service (VAVS) Volunteerism—Serving Those Who Served

The new Director of Voluntary Services at Seattle and American Lake Veterans Hospital was welcomed at both of these hospitals on separate occasions. We want to welcome Jeff and pledge our support to him in the area of volunteerism to those veterans that we owe so much to.

I recently learned of a couple of volunteers at VA facilities around the state and want to reiterate how important it is that GK's and FN's let us know of their volunteers. They are important part of our link of volunteers at the different facilities they work. Last month, I mentioned Gregory Georgoff, a Brother Knight in Vancouver who drives the DAV van in that area. I was not aware of his hours and it is very important that those hours of all volunteers be reported on a monthly basis. So again, I ask that each GK and FN poll their members and let ED Mertens for all Spokane area, Frank Hyke (DD29) at for all Seattle area north and Rob (VAVS) for all other areas. Use the State email addresses for Frank and me. If you need Ed's email address, send me an email and I will send it to you.

I would like to quote you a few statistics from Col. Gallina, who recently sent me some information on volunteer hours for this vital program.

**During FY2006 there were 136,411 volunteers on the roles with 88,860 active VAVS volunteers contributing 12,457,422 hours. This equates to 5,969 fulltime VA employees at cost of \$225 million. VAVS volunteers and their organizations annually contribute an estimated \$54 million in gifts and donations. Total volunteer hours contributions and donations amount to \$279 million. Total cost to administer the VAVS program to the VA is \$45 million, accounting for a "profit" in service to our Veterans of \$234 million.**

While these numbers remain impressive, it does represent a drop in total number of volunteers and hours. A number of factors contribute to this loss, with changing and more complicated requirements for volunteers chief among them, as well as our aging volunteer force, the average age between 76-80. This down trend must be reversed for the VAVS to provide the same high level of care it has since 1946.

During FY 2006, **the Knights of Columbus had 749 regularly scheduled volunteers contributing 83,451 hours** (an increase of 41 FS volunteers and 932 hours), **with another 15,767 "occasional" volunteer hours** (a drop of 5914 hours), **for a total of 99,218 volunteer hours**(a delta of 4,982 hours). **This is a significant decrease in total volunteer hours from 2005.** Recruitment of Regularly Scheduled volunteers is a primary function for the VAVS Reps/Dep Reps. District Masters and District Deputies must play a critical role in supporting this effort by the certified Reps.

To reverse this trend of reduction in total hours VAVS-wide, the Recruitment Committee developed a comprehensive recruitment strategy approved by NAC for implementation at the NAC level, at each VAMC, and by each NAC member organization within their organizational structure and within organizational

policies. The title for this Strategy is: *"An Invitation to Service: Serving Those Who Served"*. The theme is: *Changing the Face of the VAVS: an Appeal to the Younger Generation"*

We need volunteers in Walla Walla, Vancouver, Everett, Bremerton, Bangor or any area where military service personnel are being served. Your enthusiasm in the role of volunteerism is widely known but in order for our programs to work, we need volunteers in many areas doing many things.

I read of a new program in the Vancouver area called "VA Homeless Program". I am very interested in getting more information on this program and would appreciate any assistance possible. If you have information please contact at the email or telephone listed below.

An article appeared in the Columbian Newspaper, Aug 18, 2007, Clark County. Veteran's transitional facility Tuesday: Renovated in 2001, the bright, well-lit facility provides double rooms and quads to homeless veterans for up to 45 days, plus one 18-day extension, while they look for more permanent lodging.

**Did you know?**

An estimated 6,800 homeless veterans live in Washington state, and 1,900 live in the Portland-Vancouver area. About 240 beds are available for homeless vets in Washington.

Anyone who can help or would like to volunteer or just needs information, please contact me at (253) 584-5632 or VAVS email on State Website and I will respond.

## New Assembly Development - "I have a Dream...." - The NorthWest

The creation of a new assembly is much like the creation of a new council, except you already have in place the formation of the Knights of Columbus in being. By that I mean that you have support of the Priest, support of the parish, support of the community, the leadership roles are in place and most importantly you have Sir Knights in the council that are either already active or in the minimum support the Fourth Degree.

Why create a new assembly in an area that already has one, the reason is simply the same as the reason we established a council but with added emphasis on a couple of factors, all of the above has already been accomplished in support of and leadership. What is important to the establishment of a new assembly is support of our Bishops and Priests, support of our Church and Community, establishment of new leadership roles for members of the Fourth Degree.

A quick look at what creates problems in assemblies are basically the same as those that plague a council, distance involved to travel to a meeting, time allocation of the meeting and travel, younger potential Brother Knights have family involvement or just want to spend more time with them. These are all factors for a good reason to establish a new assembly plus the fact that many times a larger assembly is Mother Council or Parish oriented and those that are not immediately members of the council or parish, in all respect don't get the same involvement or support for their council or parish.

NIMBY is a acronym that is well used for many variety of reasons and not one of my favorite when it comes to the development of new assemblies. There are a lot of many other excuses that go along with that acronym, i.e. we have other projects, we have been together a long time, it will destroy our assembly, on and on. These are usually offered by a few but don't really carry much credence in the long run as newer members comes on board, the attitudes change to the real reason for new assemblies and spreading the chance for more to become involved through membership. Ask a potential member to join and then say by the way our meeting are held at such and such a council, 20 to 30 miles away, or a 30 minute drive on a certain night. Ours socials are held there one month, another place the next month and at our place the next month. Would this be a turn off to you to join today, with all the traffic problems, weather situations, cost of gasoline, cost of food, etc, etc. Honest answer please.

Now for my development plan for the NorthWest, please remember these are seeds of development, not seeds for resentment towards development. They are only suggestions of where an assembly can be formed, who can help in its formation, possibly why it should be formed and not planned in concrete. I am open to suggestions to realign my thinking and I am here to offer my help in whatever area is needed to make it happen.

Mount Vernon 2126, Sedro Woolley 8672, Burlington 9941 – These three councils have approximately 30 plus Fourth Degree members and with recruitment could gain several more by the next exemplification. This break down of the San Juan Assembly was proposed actually when I was Master and strong feeling were there but no formation group. One Sir Knights wife I talked with whose husband had passed away just prior said, "her husband would have loved to see this happen as he just couldn't drive all the way to Bellingham for Fourth Degree functions". This assembly will be strengthened by the closeness of the three council formation into a new assembly.

Marysville 7863, 13560 Granite Falls – Again this is a distance problem area to Everett and there is a very strong formation program going on in the Granite Falls council area. It would be strengthened by Marysville or another council joining this formation group but eventually this will become a very strong assembly along with a very strong council which has recently come aboard.

Snohomish 9664 – This is actually another council that could form its own assembly right in the parish and be very strong. If it would like to assist another council, Monroe 9910 in joining the formation it could help develop more interest in the Fourth Degree in that council. This again is another distance problem council and it will be aided by the development locally.

Arlington 8015, Stanwood 8476 – A potential at the current time of about 25 members able to form the new assembly. Again, these two councils would be aided by the distance factor and cut down the time for travel by members and wives to functions in the Mother Assembly.

Bremerton 11789 – This council is very strong in its church functions and host many councils events. It has a very strong formation group of members of the Fourth Degree that could step forward and bring it 30 plus members into the fold for a new assembly. This assembly could be formed in a matter of one to two months because of the strength of the Fourth Degree members in the council and the potential for new members.

Mill Creek 9484 – Another council where its membership could be increased due to the distance involved in travel to the Mother Assembly. It currently has about 25 members of the Fourth Degree on board and recruitment would enhance its numbers very quickly.

Bothell 6686 – One of the fastest growing councils in the last several years in the state with a plethora of Fourth Degree members. The formation group is available to start the assembly and this again would be another excellent example of council/assembly cohesiveness that is strongly bonded by the Brotherhood of the Order.

Mountlake Terrace 9605 – This council is another example of a distance starved council formation into a new assembly. It would take a good recruitment effort to gain new membership and would greatly benefit I think the council in the parish.

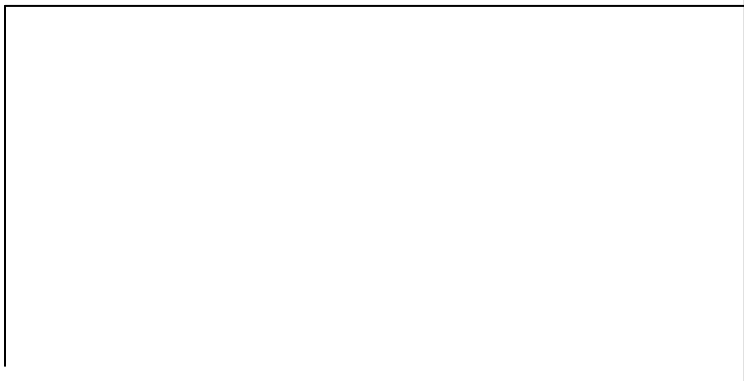

Brothers, the above listed proposals are a quick landscaping of new assembly development that will richly enhance the Knights of Columbus, not only assembly wise but council wise. What greater recruitment tool do you have than to say, "we have a very active council in our parish that provides Charity, Unity and Fraternity to our members and their families, also we have a very strong Fourth Degree that promotes Patriotism of our country and we are the leaders not only in the parish but the community for these four principles.

Just think, if these 8 new assemblies become a reality along with the 6 we have brough in during the past 3 years, will this truly not have been "I have a Dream – Father Michael J. McGivney" would be very proud of his Brothers in Christ.

Next month: Central Western Washington

WASHINGTON, D.C. - U.S. Senator Jim Inhofe (R-Oklahoma.) today praised the passage by unanimous consent of his bill (S.1877) **clarifying U.S. law to allow veterans and servicemen not in uniform to salute the flag.** Current law (US Code Title 4, Chapter 1) states that veterans and servicemen not in uniform should place their hand over their heart without clarifying whether they can or should salute the flag.

"The salute is a form of honor and respect, representing pride in one's military service," Senator Inhofe said. "Veterans and service members continue representing the military services even when not in uniform. Unfortunately, current U.S. law leaves confusion as to whether veterans and service members out of uniform can or should salute the flag. My legislation will clarify this regulation, allowing veterans and servicemen alike to salute the flag, whether they are in uniform or not. I look forward to seeing those who have served saluting proudly at baseball games, parades, and formal events. I believe this is an appropriate way to honor and recognize the 25 million veterans in the United States who have served in the military and remain as role models to others citizens. Those who are currently serving or have served in the military have earned this right, and their recognition will be an inspiration to others." This Bill was passed July 25, 2007.

Request all councils and assemblies inform their veterans and service members about the passage of this Bill.

## **Bulletin Editor Message**

Please keep the cards and letters (email) coming folks. I need your inputs for the Bulletin each month by the 20th so I can have time to organize all the articles in the bulletin and get it to the printers a on the

1st of each month. Also please don't forget that I can help you submit articles in the Columbia Magazine. Please try to send any pictures in JPEG format if possible. They take up a lot less room than TIF or bitmap. And remember each council is entitled to two copies of the printed version of the bulletin in black and white, one to the GK and one to the FS. You can also download the bulletin from <http://www.kofc-wa.org> and print the color version. I would suggest that GK's redistribute the bulletin to as many members as possible or direct them to the state website noted in this paragraph.
