## Washington State Council

April 30, 2022

My name is Scott Hulse, State Advocate, and a State Delegate to the Washington State Council Annual Meeting and Convention.

It is both my privilege and honor to place Fr. Kenneth St. Hilaire into nomination for the role of Supreme Convention Delegate.

Fr. St. Hilaire is an insurance member and a member of Colville Council 12273.

I am grateful to Fr. Kenny for tirelessly serving multiple Parishes in the Spokane Diocese while serving as our State Chaplain during the past five years. Fr. Kenny has previously attended the Supreme Council as a Priest observer; however, has not had the privilege of being presented to the Annual Meeting and Convention of the Supreme Council as a representative of and delegate for the Washington State Council. Fr. Kenny's role as our Pastor providing spiritual guidance, mentor and delegate will be truly valued by all our Washington State Council members as well as the our delegates.

Thank you for considering my nomination of Fr. Kenny as a Supreme Convention delegate in 2022.
