

State Officer's Report
Interim State Warden, David H. Olwell
Report of the State Warden

As stipulated in the Washington State Council Bylaws, I verify and state that I carried out my duties as State Warden as specified in Article 6, Section 5.

- I attended all meetings of the Washington State Council.
- I only admitted duly qualified third degree members.
- I carried out all other duties as requested by State Deputy Kim Washburn including:
 1. Provision of aid to the State Deputy during State Council meetings.
 2. Maintenance of an inventory, caring for and storing State Council equipment and supplies.
 3. Support for the virtual 119th State Convention, including hosting the webinar and assisting the State Deputy with the script.
 4. Selecting the Knight of the Year for the state

In December, I was elected by the state officers as interim Warden when WSW Larry Devlin resigned to focus on KC Help. Since then, I have been learning the ropes and assisting the state officers as requested.

I move that my report for the fraternal year 2021 – 2022 be accepted as reported and included as part of the record of the 119th Washington State Council's Annual Convention.
