

2020 Winter Leadership Virtual Meeting Training Schedule

Brother Knights,

Due to the COVID-19 pandemic restrictions, the WSC Winter Leadership Meeting was held in a virtual format for the first time ever. Whether you are a District Deputy who missed the training, or a Grand Knight or other Council leader looking for the latest information on Membership, Programs and a wealth of other topics, this training is for you.

The virtual meeting was recorded and broken out into six separate sessions. You may click on the link to view the training. The video run time is listed below the links so you can plan accordingly.
