Adam Bluett and Troy Waller and families have agreed to coordinate the Feed the Hungry dinner on April 27<sup>th</sup>. Please call Adam, if you have any interest in helping out.

Marc Le Poullouin is coordinating a night out for the Knights and wives (or SO). He is going to purchase a block of tickets for the Saturday, June 10<sup>th</sup> production of "Hello, Dolly!" at the Village Theatre in Issaquah. We will have dinner prior to the show at a restaurant to be named later. The cost of a ticket is \$32.50. To ensure your seat(s), please give Marc a deposit of 50% by the next meeting. Please let Marc know you plan on attending by email him at [marcnkaren@aol.com](mailto:marcnkaren@aol.com) or calling him at 868-3285.

To facilitate the purchase of the tickets the Knights voted at the meeting to authorize the payment not to exceed \$975 in order to secure the reduced rate. This amount will be returned to the treasury as Brother Knights pay for their tickets. The vote for final approval of the deposit will be at the next meeting.

There is a Second/Third Degree being held at St Monica's on Mercer Island on April 30<sup>th</sup>. Now is the time to make progress and pursue the Third Degree.

### Insurance Message for April

If you haven't visited the Knights of Columbus Web site in a while, I encourage you to do so the next time you're online. We've added many new features to [www.kofc.org](http://www.kofc.org), but there are two that I wish to make you especially aware of.

The first is our member testimonial area, titled "Stages of Life." In this multi-media area, six "real-life" stories are told – stories of people at different stages of their lives. Chances are, one of them will sound a lot like you. These people talk about how their Knights of Columbus agent took the time to demonstrate for them the need for life insurance in their lives. I'll be happy to do that for you and your family as well.

The second is our Life Insurance Calculator. This handy, easy-to-use online tool was developed to allow you, in about 15-20 minutes, to **estimate** the amount of life insurance coverage you need. The information you'll be asked to provide will be basic (the type most folks would tend to have at their fingertips), and secure (it's intended to be used solely for the purposes of the online calculator – the Order won't capture it or share it with anyone, including me!).

I stress that the number you'll receive is an estimate, based on the basic information you provide. It's not intended to take the place of the free, professional needs analysis that I'll be happy to provide for you and your family. Give me a call – I'd like to meet with you.
