Grand Knights Comments

A new fraternal year is beginning and I am thankful for the vote of support that I received in being elected your Grand Knight. It will be a challenge to follow in the footsteps of Past Grand Knight Steve Ramseyer who brought a sense of dignity and devotion to the challenges facing the Grand Knight. I salute Steve for the contributions that he has made to our council, not only last year, but for his previous term as Grand Knight as well.

I am looking forward to the challenge of representing Council 9833 as your newly elected Grand Knight. The group of officers that you elected to assist me would be an asset to any administration. You will be hearing from many of us as we proceed through the year building a stronger and a more active council.

Included in this newsletter is a copy of the proposed budget for the upcoming year. Please review it and be sure to come to the August 8th meeting and propose any changes or additions so that they can be discussed prior to the council voting on the budget's adoption.

You will also see a copy of our schedule, as it now stands, for the coming fraternal year. There are a number of events that will need the help of the entire membership to accomplish. If you see any event that you would like to lead, or just volunteer for, please let me or any of the officers know. You will also have a chance to volunteer live and in person as we will be doing a number of telephone solicitations for assistance.

The next year will be a challenging one. With all of your help and support it will be another successful year for Council 9833.

Insurance Message for July

New Insurance Agent: I would like to introduce our new field agent for the Knights of Columbus, Mike Stergios, PGK. Mike has a BA from St Johns University (MN), and an MBA from the University of Phoenix. He has been a Knight since 1976 and a member of Fr. John Walsh Council since 1996. He has worked previously for the States of Montana and Washington Departments of Social and Health Services, Kansas City Life, and American Income Life. He and his wife Colleen serve as cantors and music ministers at St Monica Parish on Mercer Island

July Message: A new fraternal year is upon us. Congratulations to the newly elected and appointed council leaders. I'm sure you have a list of things that you want to accomplish during the coming year. I'm eager to help.

One of these goals is likely the attainment of the Star Council award - the most prestigious award the Order offers at the council level. I'm certainly committed to helping on the insurance side, but I'll be glad to help on the membership side as well.

If you know an eligible Catholic man who might be interested in joining the Order (and who among us doesn't), he's probably just waiting to be asked. I can help you, either by approaching him myself, or by "coaching" you - transferring sales skills that you can use to recruit him and other prospects. As always, I'm at your service.

What would be helpful to all of us would be an early start on those goals, rather than waiting until May or June. Let's get an early start on an award season this year.

Please call me and we can set up a convenient time to talk.
