## Insurance Message

The Knights of Columbus policy on replacing existing life insurance is as follows: *“The Order does not condone the practice of soliciting replacement insurance or using cash values or dividends of existing policies to finance new business. In most cases, replacement is not to the policyholder’s advantage.”*

The reasons for this are many. First, premiums usually increase on a new policy because it is issued at an older age. The older your are, the more expensive life insurance is.

Many times, options available under the older policy are lost and sometimes not offered under the new policy. In addition, a new “incontestability” period begins with the new contract. The Order, for example, maintains the right to contest a claim up to two years from the issue date of the policy. A new policy brings with it a new issue date, and a new “incontestability” period.

You purchased the life insurance you have for a reason – probably a very good reason. It is a good idea to hold onto that coverage. That doesn’t mean you have all the coverage you need or will ever need.

I’ll be happy to meet with you at your convenience and perform a free, custom-tailored needs analysis for you and your family. My job is to determine any gaps in your existing coverage, and to help you to fill those gaps. It’s not to replace your existing coverage.

Give me a call.
