Grand Knight's Message

First of all, let me apologize for not putting out a newsletter last month. I was a hectic time around our house and I just could not find the time.

We had two council meetings, the Ministry Fair, a Pancake Breakfast, Oktoberfest Ticket Sales, the Oktoberfest event and lastly the Birthright Candle Fundraiser. Needless to say, it was a busy two months and I want to thank all who help with their time to make everything successful. This certainly is a busy time of the year, and without your support, we would not be able to survive. Thank you so much.

Now that we have September and October off the books, it is time to start thinking about how you can help with our upcoming events in November and December. As you can see in the Calendar of events to the right, We will need your help with the Christmas Flower Sales after each mass for three weekends. We will also need volunteers for the Pancake Breakfast on November 18. The Boy Scouts will be helping us that weekend and we will be sharing the proceeds from the event with them. On December 8, we will have our annual Christmas Party for the Knights. There is no charge for this event as it is a thank you for all your support. You and your wife or date are welcome to join the festivities. I will be sending out a personal invitation to you and need an RSVP so we can make sure we have enough to feed everyone. We will also want you to bring a \$10 gift for a senior citizen at Marionwood and an exchange gift for the ??? at the end of the evening.

I will be sending out a request for help prior to November 3 seeking volunteers to cover the Flower Sales. It will only take 10-15 minutes of your time after the mass you attend to go to the vestibule during the announcements and be there to take orders for the flowers.

If you would like to include any information in the newsletter, please send me an email by the first week of the month. My email address is grankknight@mqp.org.

Insurance Message

Believe it or not, the holiday season is upon us. A popular movie, shown often this time of year, is "It's a Wonderful Life." In it the lead character, in a moment of desperation, proclaims that "it would have been better if I had never been born." His "guardian angel" then gives him the opportunity to see how much different the lives of his friends and family would have been had he, in fact, never been born.

None of us will have that opportunity. But, like George Bailey, we do have a positive impact on the lives of our friends, our families, and those in our communities. We do this through our membership in the Knights of Columbus, by volunteering in our Churches and communities and, not insignificantly, by making sure we have enough life insurance.

Life insurance will allow your family to remain in their home, and maintain their lifestyle, if something should happen to you. It will guarantee a college education for your children, or even your grandchildren. It will ensure a comfortable retirement for you and your wife. It can even help your favorite charity to continue its humanitarian work.

No doubt about it – being an insured member of the Knights of Columbus helps make this a "wonderful life."

Call me to set up an appointment. When we meet, you'll discover that time spent with your Knights of Columbus agent is time well-spent. But, make the call today. Because summer is not only busy, it's also coming to an end.

Vivat Jesus!
