

My Dear Brothers:

It is with heartfelt love that I say “Thank You” to Steve Snell for his many years of service as Editor of the Second Edition. The next and last issue will remain on Steve’s desk as he fell down the long flight of stairs at the Walla Walla County Courthouse when visiting about a month ago. He is lucky to be alive.

Steve just returned home from the hospital last Friday after a month in recovery. He has residual issues to resolve and recover from; and with his doctor’s insistence, he can no longer continue as EDITOR of the Second Edition.

I expect his readers will be sending “Get Well” messages and praying to Blessed Fr. McGivney for his full recovery.

I will let you in on a little secret too...Steve is 75 years old, and he will quickly tell you that his Second Edition ministry has been a key activity in his life. He will miss it, but doctor’s orders come first.

Steve offers his advice, counsel, and formula for success to a Knight qualified to undertake the burden of the Second Edition. Vivat Jesus!

God Bless Steve for his long ministry as Editor of the Second Edition!

Vivat Jesus!

Fraternally,

George Czerwonka, PSD
