NOVEMBER 2011

COUNCIL'S CHARITY RECOGNIZED IN THE "COLUMBIA"

The council's 2010 fundraising effort for the Olympic Peninsula Kidney Center was published in the November edition of the order's magazine "Columbia".

This money was raised from the annual spaghetti festa. The 2011 Spaghetti Festa was recently held. The council will continue to send details on our works of charity to the Supreme Council for publishing in future articles. There are so many "Knights in Action" stories submitted that a lag time of approximately 10 months is typical from the date of submittal to the date of publication. *Thanks to all brother knights and venders for all the donations and hard work on this year's spaghetti festa.*

During Thanksgiving, as you are giving thanks for what you have, think about what you are giving your family.

I know you're a great provider. You give your family a nice home and everything else that they could need. But what would happen if you were to die unexpectedly? Would the giving end?

It would not have to if you had life insurance. Give your family the security that life insurance delivers. Give them protection that will last for a lifetime. Get life insurance
