Message from the Grand Knight

Brother Knights:

We are winding down for the fraternal year 2017-18; however, there is work yet to be done, especially with the upcoming Spaghetti Dinner. It is our second-biggest fundraiser and plays a significant role in determining the size of donations the council can make throughout the year. A big turnout is expected, and we once again will have the pleasure of the Bonnie Birch Band for entertainment.

You probably know by now that on Sunday, June 3rd, there was a small fire next to the confessional in the back, by the statue of St. Anthony. While the fire itself was small, smoke filled the entire sanctuary, with soot covering everything inside. Therefore, the Masses are temporarily being held in the St. George School Hall until remedial measures are taken. This morning at Mass, Fr. Negusse reminded us that the people, not the building, are the essential part of the church.

The Knights of Columbus recently rolled out a new way for one to become a member, by applying online. If there is anyone you know who might be interested, please refer him to the web page <http://www.kofc.org/joinus>, where additional information can be obtained.

Next month, from July 13-15, the Washington State Council will host Leadership Training at the Red Lion Inn at the Park in Spokane. It is primarily for District Deputies, Grand Knights, and Financial Secretaries, but other council members (and their wives) are welcome to attend. Please let me know if you wish to have a registration form as it is required to attend.

On behalf of Council #13794, I wish for all to have an enjoyable and safe summer!

Fraternally,

Jeff Kleppinger
Grand Knight

Message From the District Deputy District #15 (South Seattle)

This fraternal year is very short now that we are into June, and on July 1st, we will start the new fraternal year! It has been a very good year with many accomplishments, a lot of charity and service and some very good fraternal memories to last a lifetime. I want to thank all of our council Grand Knights, officers, chairmen, directors, and members in our District #15 for your fine service this past fraternal year and will enjoy working with you next year as well, which may complete my final tour of duty as District Deputy. All that I would ask for next year is that you continue to do what you have done this year, but also to really focus on making your Star District requirements, which is a very good sign of an involved, working, and growing Council.

As many of you know, some of the core officers for each council in District #15 will be meeting and attending the State Summer Program and Planning Meeting in Spokane in the middle of July. After that meeting, we will be planning to perform all of the new installation of officers and to again hold another District Deputy meeting and more will be coming on this later. Each council still has another good three weeks to continue to work on your Star Council requirements for membership, insurance, and program, and it is still not too late to pick up some new members to make your goals and our Insurance Field Agents can obtain annuities to bolster your Council insurance program.

Also remember that your Report 185 (election of new officers) and your Form 365 (appointment of new council personnel for chairman, directors, etc.) and also your Columbian Award report form SP-7 (program report) all need to be completed online and submitted to Supreme no later than June 30th, but I would recommend doing all reports now and getting them in. They can all be done online and should be done by the Grand Knight and Financial Secretary. A final reminder that the semi-annual audit is also due in August and councils should start this now. Hoping and praying that you all have a very great summer and take some time to rest up and spend time with your families and have some good summer fun!!

God Bless:

Steve Schweyen
