From the November State Newsletter:

"How marvelous would it be if, at the end of the day, each of us could say: Today I have performed an act of charity toward others." — Pope Francis

Last year Knights of Columbus at all levels donated more than \$177 million to charitable causes. Our members also performed over 75 million hours of volunteer service — both are all time records. By submitting the Annual Survey of Fraternal Activity, you are contributing to the overwhelming generosity for which the Knights are known. Please help all Knights live up to the Pope's quote. Start compiling your numbers now to complete and submit your council's [Annual Survey of Fraternal Activity \(#1728\)](#).

For a Knight to be considered "Active" they only need to work on one project for at least 1 hour per year. Please consider all the volunteer activities that you do each year.
