## Grand Knights Corner

Brother Knights,

As we move into 2010, it is imperative that we start thinking about our recruiting efforts. I am asking of each of you is to make a concerted effort to recruit at least one new member to our council before our March 21st membership Blitz Breakfast. We have less than six months to reach our membership goal by the end of the fraternal year in June. If everyone makes an effort toward this goal, I am sure we can be successful.

I am also looking for some new ideas to help in the primary responsibility of our council: charity. Charity doesn't have to mean money. Charity comes from our hearts. Whenever you see a need, let's work to fill it. The success of our Council does not depend on what I or my officers do; success comes from each of you and your participation. Your ideas and your participation will provide this council the ways to provide charity, not only to our family, church and council, but to our community as well.

So, let us pray and ask our Heavenly Father to give us His Blessings and help us work towards these two important goals for our council. God Bless each and every one of you and your families. May the Lord watch over all of you and keep you safe.

Vivat Jesus

Gerry Garrison , Grand Knight
