Sir Knights,

We are winding down another fraternal year. June will be pretty quiet. A small group of Sir Knights assisted with serving food on Memorial Day at Calvary Cemetery. Our next event will be our annual picnic with the children at the Ryther Center on the Fourth of July. Please join us. After that, we will adjourn until the first Thursday in September for our officers' meeting.

Our business meeting in June will be our final meeting in the Knights of Columbus facility. The building is scheduled to change ownership in early July. We are soliciting ideas as to where we should meet in the future. The decision will need to be made soon.

At the fraternal night in May, the 4th Degree made two presentations: chalices were given to the widows of Leo Costello and R. Michael Stocking. Both men had been long time members of the James Shield Assembly. We initiated this chalice program to honor our deceased brethren. The chalices have a 4th degree emblem in the base and are inscribed with the member's name. The chalice's were given by the widows to a priest of their choosing: Fr. Ramon Santa Cruz for Leo Costello and Fr. Bob Grimm S.J. for Mike Stocking. In practice, we expect the priests to remember the deceased member each time the chalice is used. The ceremony was well received, and I believe the Assembly will want to continue this practice into the future. However, it is unfunded. We will need donations to purchase any chalice's in the future. They cost \$350+ each. If you want to participate in this fine program, please send donations to Winslow Hayes. Checks can be made out to the Assembly and designated for the Chalice program.

In Christ,
 Don Luby
 Faithful Navigator
